YOSEMITE FALLS

**YOSEMITE NATIONAL PARK
Candidate Venue for BCC Reunion 2006**

Where? Tenaya Lodge is located on Hwy 41, a few miles below the south entrance to Yosemite Park. Air travelers can use airports at San Francisco, Sacramento, San Jose, or Fresno. The distance from San Francisco is approximately 200 miles; from Fresno, 55 miles. This lodge can support all of the reunion activities. Although it is close by to the Mariposa Grove of Sequoias, it is 28 miles from Yosemite Valley - necessitating significant driving times.

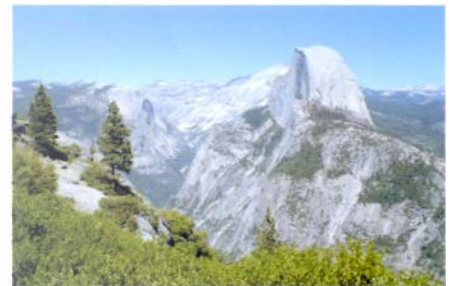

The alternative of staying at the famous Ahwahnee Hotel in Yosemite Valley was investigated. Room rates would be twice as high, and the hotel is less able to support our group activities.

When? From late May through early June the waterfalls provide their most spectacular displays. Tenaya Lodge has given us a proposal for a group-rate for a five-night reunion during this period.

The following is simply an example of what might be the itinerary for our reunion.

- Sunday Evening.* Check into hotel and hospitality suite
Dinner at the Tenaya Lodge Sierra Room *Monday.*
- Drive to **Mariposa Grove** and walk trails among the giant sequoias. Visit with classmates at the Tenaya Lodge pool after lunch at the lodge.
Group cocktails and dinner at **Wawona Hotel Tuesday.** Group drive to **Glacier Point** for bird's eye view of Yosemite Valley. Unstructured afternoon.
Barbecue at Tenaya Lodge
- Wednesday.* Group drive to **Yosemite Valley.** Visit bases of Yosemite and Bridalveil Falls.
Lunch at the **Ahwahnee Hotel Dining Room** Afternoon walking and hiking in the Valley
Dinner at Tenaya Lodge
- Thursday.* **Free Unstructured Day** For those who golf, there are three courses. Or use the lodge's spa. Visit nearby towns of Fish Camp or Oakhurst. Enjoy the pool or hospitality suite.
Group dinner at **Tenaya Lodge's Sierra Room. Friday.**
- Group **Brunch** (including BCC Quiz?)
BCC Class of 1950 **Banquet** at Tenaya Lodge *Saturday.*
Breakfast and checkout
Drive to airports or homes.

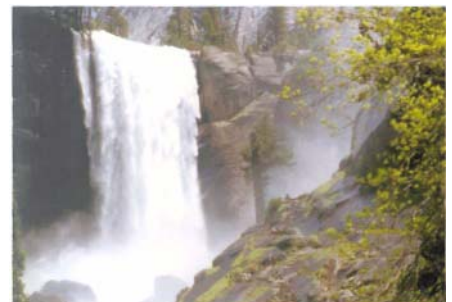

(This itinerary can easily be compressed to five nights if that is preferred.)
